Home Language Survey

Office of Multilingual-Multicultural Education (OMME)

Complete this Home Language Survey at the student's initial enrollment in a Chicago Public School.

The state requires the district to collect a Home Language Survey for every new student. This information is used to count the students whose families speak a language other than English at home. It also helps to identify the students who need to be assessed for English language proficiency and may be eligible for English Learner services.

OFFICE USE ONLY

Please make sure both questions are answered completely and that the parents/guardians sign and date the form.

If the language spoken by the parent/guardian is not included on either page of this form, please visit the OMME Employee Intranet Page, Forms, and click on "Home Language Survey in Additional Languages" which will take you to ISBE's HLS page.

If the parent/guardian does not speak English and the school does not have staff who speaks the parent/guardian's language, identify the language spoken by the parent/guardian through any assistance available in the school, i.e. using interpretation services from a vendor.

ASPEN REGISTRATION PROCESS

All five fields have to be entered on Aspen: date, answer to question 1, Home language, answer to question 2, and Native language.

When a language other than English is reported for only one of the questions on the form, that Non-English language has to be listed as both Home and Native Language in Aspen.

If there are two different languages other than English listed, enter the language identified in question 2 as both Home and Native language. If there is more than one language listed in question 2, check with the family, since only one of the languages can be entered on Aspen.

English can be entered as the Home language ONLY if both questions are answered No and English is listed for both questions.

If the language is not included on the list of languages available on Aspen, enter "Other" temporarily, but contact OMME as soon as possible so that the district can ask ISBE to add the new language. An Student Reclassification Recommendation (SRR) will have to be submitted to OMME to correct the language at a later date.

Maintain Home Language Survey in the Student Cumulative Folder. If the student is an English Learner (EL), maintain the original survey in the Cumulative Folder and also maintain a copy of the survey in the student's English Learner Folder.

Directory and Recruiter Opt-Out Information Sheet

Department of Policy and Procedures

This Information Sheet for Students and Parents provides instructions on how you can use the “Directory and Recruiter Information Opt-Out Form” to prevent the release of your child’s student directory information. An Opt-Out Form is enclosed for your convenience.

The Family Educational Rights and Privacy Act (FERPA), Illinois School Student Records Act (ISSRA), and Chicago Board of Education Policy 706.3 Parent and Student Rights of Access to and Confidentiality of Student Records require that Chicago Public Schools (CPS) obtain your written consent before disclosing personally identifiable information from your child’s education records, with certain exceptions. **The Chicago Public Schools may disclose “directory information” without written consent, unless you have advised the District that you do not want the information shared by using the form attached.**

This form is to be turned in at time of enrollment or by December 1st.

Who will have access to this directory information?

CPS may share directory information with third parties (such as city agencies or educational service providers) who have an educational interest in the information and request it. All requests from external parties related to research are reviewed by the CPS Department of School Quality Measurement & Research or the CPS Office of College and Career Success to ensure the request is in the interest of students.

What is directory information?

Directory information is information that is generally not considered harmful or an invasion of privacy if released. CPS has designated the following as directory information: student’s name; parents’ names; home address; home telephone number; date of birth; grade level; dates of attendance; school photographs; and most recent CPS school attended.

How do I complete the CPS Directory Information Opt-Out Program Process?

A parent/guardian or student age 18 or older **must complete this form and return it to the school clerk annually at time of enrollment/registration**. The completed opt-out form must be returned to the school no later than December 1 annually. If you have more than one child attending CPS, you must submit a separate request for each child. The Opt-Out Form requires a student identification number. Please make sure you record the 8-digit ID number on the form accurately.

For parents/guardians of JUNIORS and SENIORS ONLY:

By law, if military recruiters request contact information (name, address, phone number) for 11th- or 12th-grade students, CPS is required to provide that information unless you choose to block it. Colleges and universities also may request student information. Using the Chicago Public Schools Opt-Out form, you may block the release of your contact information to military recruiters, or to colleges and universities, or to both.

Having your name placed on the Opt-Out list does not in any way limit your ability to request your school to send a transcript or any other material on your behalf to a college or university, a military recruiter, or others, upon request.

Questions or Concerns?

If you have questions about CPS policy related to the release of student information to third parties, recruiters, or universities please contact policy@cps.edu.

Proof of School Dental Examination Form

Illinois law (Child Health Examination Code, 77 Ill. Adm. Code 665) states all children in kindergarten and the second, sixth, and ninth grades of any public, private, or parochial school shall have a dental examination. The examination must have taken place within 18 months prior to May 15 of the school year. A licensed dentist must complete the examination and sign and date this Proof of School Dental Examination Form. If you are unable to get this required examination for your child, fill out a separate Dental Examination Waiver Form.

This important examination will let you know if there are any dental problems that need attention by a dentist. Children need good oral health to speak with confidence, express themselves, be healthy, and be ready to learn. Poor oral health has been related to lower school performance, poor social relationships, and less success later in life. For this reason, we thank you for making this contribution to the health and well-being of your child.
